## STEP 4

## Type your email address

- Please type your registered email address to the 'Search by email address' field, and only that field – please make sure that your browser doesn't autofill the other textbox – and select 'Search'.

**IMPORTANT:** To reset your password, please enter **either** your username **OR** email address in the form below, but **NOT** both. Using both fields may prevent the reset email from being sent. For best results, we recommend disabling your browser's autocomplete feature from browser settings
