Training Catalogue 2015

CEPOL TRAINING CATALOGUE 2015

This Training Catalogue has been developed in accordance with CEPOL's Preliminary Work Programme 2015¹ for the purpose of providing applicants in the application stage of the Grant Application Procedure with the most important information/requirements concerning the training activities for 2015.

This catalogue includes the activities approved on 6 February 2015 by the CEPOL Governing Board in its decision 5/2015/GB adopting the Work Programme 2015.

For each activity the catalogue includes the following details:

- Number of the activity
- Title of the activity
- Category/ies it supports
- Minimum number of participants
- Duration
- Maximum Budget
- Aim of the activity
- Target Group
- Learning Outcomes²

The categories are in accordance with the nine priorities³ formulated by the Council of the European Union for the fight against serious and organised crime (2014-2017), and also with the Council Decision establishing CEPOL (2005/681/JHA) as well as topics described in the Communication from the Commission to The European Parliament, The Council, The European Economic and Social Committee and The Committee of The Regions "An open and secure Europe: make it happen"⁴.

The following table provides an overview of these categories and the allocated training activities.

Please be aware that some activities by their nature are more sensitive and should be provided in a secure facility and participants must have relevant security clearance.

Important note

- 1) Please also be aware that Fundamental Rights and Human Rights have not been included in the aim/learning outcomes of the individual activities however, these rights must be addressed in all activities as an integrated part of training for Law Enforcement officers;

¹ Decision 22/2013/GB of the Governing Board of the European Police College adopting the Preliminary Draft Work Programme 2015

² Target group and Learning Outcomes/Objectives can be refined by the applicant in accordance with the target group and the aim (see Guidelines How to Complete Grant Application, 2.2).

³ Council conclusions on setting the EU's priorities for the fight against serious and organised crime between 2014 and 2017

⁴ Communication from the Commission to The European Parliament, The Council, The European Economic and Social Committee and The Committee of The Regions "An open and secure Europe: make it happen", Brussels, 11.3.2014, COM (2014) 154 final

Training Catalogue 2015

CATEGORIES

Training Catalogue 2015

Category 3: Counter Terrorism

74/2015: Airport Security	Cat. 3	Counter Terrorism - Airport Security
---------------------------	--------	---

Duration	3
Minimum number of participants	30
Maximum budget	€20,700

Target Group

Senior Officers with responsibility for security at major airports and international hubs (relevant security clearance is required)

Aim

Enhance the knowledge on the efficient airport security and the best practice in the EU MS and beyond

General Learning Outcomes - upon completion of the activity the participants will be able to:

- Discuss strategy modules of security at airports and major transport hubs
- Identify threat assessment models
- Assess the security measures at different airports
- Compare the best practices in the EU
- Evaluate cooperation possibilities with private partners
- Recognise effective planning strategies
- Deploy measures ensuring the reduction of vulnerabilities of the air transport

NOTE:

Training should be provided in a secure facility

The following entities shall be approached in order to support the activity: AIRPOL

Training Catalogue 2015

Category 6:

External dimension of the area of Freedom, Security and Justice

51/2015: CSDP/ FSJ nexus, structures and instruments	Cat. 6	External dimension of the area of FSJ - CSDP and External Aspects of Internal Security
--	--------	---

Duration	2
Minimum number of participants	28
Maximum budget	€12,320

Target Group

Senior officers deployed or to be deployed in key operational positions in EU missions (former, current and prospective mission members)

Aim

To improve the knowledge of officials deployed or to be deployed on missions, on the link between the EU internal (Freedom Security and Justice - FSJ) and external (Common Security and Defense Policy - CSDP) security in order to enhance the exchange of information

General Learning Outcomes - upon completion of the activity the participants will be able to:

- to understand the general security structures of CSDP and FSJ after the Lisbon Treaty
- to analyse links between CSDP and FSJ, considering existing EU instruments
- to evaluate the developments and efforts enhancing the interaction between CSDP and FSJ instruments with particular emphasis on the Council Road Map on Strengthening ties between CSDP and FSJ
- be aware of the major role of Europol and Frontex in the exchange and analysis of intelligence/information
- be aware of the mandate and tasks of the European External Action Service with regard to the Common Security and Defense Policy (CSDP) of the European Union

NOTE:

Training should be provided in a secure facility

The following entities shall be approached in order to support the activity: EEAS, Europol, Frontex

Training Catalogue 2015

Category 8:
Leadership, Learning, Training and Language development

76/2015: Strategic Intelligence Analysis	Cat. 8	Leadership, Learning, Training and Language development – Intelligence Led Policing
--	--------	--

Duration	4
Minimum number of participants	30
Maximum budget	€27,600

Target Group

Law enforcement officers conducting strategic analysis and/or officers to be prepared to conduct strategic analysis within the law enforcement environment

Aim

Enhance the capacities for producing strategic analysis and share effective techniques in order to improve the intelligence-led policing

General Learning Outcomes - upon completion of the activity the participants will be able to:

- establish the direction of a strategic intelligence analysis project and plan in accordance with expectations of the decision maker
- collect and evaluate information, determine collation methods suitable for different types of data
- analyse quantifiable and non-quantifiable data using select analytical techniques
- prepare strategic intelligence assessments for a variety of specific law enforcement purposes, e.g. determining threat levels, setting priorities, planning, and influencing operations
- produce valid and actionable strategic intelligence product which meets the needs of a client, as a result of planning, collecting, evaluating, collating, analysing and reporting information
- report the findings and results of a strategic intelligence assessment to decision makers

NOTE:

The following entities shall be approached in order to support the activity: Europol

Training Catalogue 2015

Category 9: Research and Science and crime prevention

75/2015: Developing a policing system for effective work with victims	Cat. 9	Research and Science and crime prevention – Supporting Victims
---	--------	--

Duration	3
Minimum number of participants	30
Maximum budget	€20,700

Target Group

Decision makers leading the crime investigations units and/or trainers providing training on crime investigations with particular attention to efficient work with victims.

Aim

To facilitate exchange of knowledge, research findings and experiences with regard to dealing with crime victims in order to improve policing in this field; to stress the role of victim support, risk assessment and security measures in the investigation process

General Learning Outcomes - upon completion of the activity the participants will be able to:

- describe how to recognise and interpret the needs and emotional states of crime victims
- use methods for risk and threat assessment
- explain how to avoid victimisation
- describe development of psychological first aid skills
- summarise the rights of crime victims in accordance with the common legal framework in the EU
- apply efficient victim support when managing the witnesses

NOTE:

Training should be provided in a secure facility

The following entities shall be approached in order to support the activity: FRA
