CEPOL - Master Programme

To: CEPOL National Units

Dear Colleagues

On behalf of CEPOL, the EU agency responsible for the training of law enforcement officers across Europe, I would like to convey my sincerest regards to you and your colleagues.

In 2015 CEPOL launched its first fully academic Master Programme '*policing in Europe*' [EJMP] and last year we initiated the 2nd cohort where its students will graduate in 2019.

The accreditation for the EJMP was given by the Spanish accreditation institute ANECA and this accreditation will now come to an end in 2019.

CEPOL would like to continue with an academic programme at master level building on the experience from the EJMP, so it is now time to start the development of a new Master Programme including aligning it with our mandate EU 2015/2219.

I am therefore launching a call for experts to develop CEPOL's new Master Programme. Please find annexed a description of the tasks and experts needed and a tentative time line.

The deadline for CNU's to nominate experts is the 5th of April 2018.

Please send your nominations and any questions you might have to Programme Officer Peter Davidson, email peter.davidson@cepol.europa.eu.

I would like to take this opportunity to thank you for your cooperation and I am looking forward to work closely together in order to further develop law enforcement education.

Yours sincerely,
