**Procurement procedure CEPOL/PR/OP/2016/004 – Communication services for CEPOL**

**Answers to questions sent by potential tenderers**

| No. | Question   | Answer  |
|-----|--|---|
| 1   | Please, can you confirm the correct deadline to dispatch the tender? The contract notice indicates the 26/07/2016, while the tender specifications indicate the 20/07/2016.    | The deadline mentioned in the contract notice is applicable. Please note that the deadline will be modified. The date of the new deadline will be published soon. |
| 2   | What is the deadline for dispatching tenders?<br>It is confusing because in the tender document the deadline is 20/07/2016, but on the ted.europa.eu website it is 26/07/2016. | Please read the answer to Question 1.   |
| 3   | I can not find in the “Annex VIII – Checklist of documents which tenderers must submit” document which envelope should contain the Technical Offer.                            | According to the Tender Specifications (B.3), CEPOL does not require technical proposal at this stage.  |
| 4   | There isn't any template for the Technical Offer provided. Does it mean that tenderers are allowed to submit technical offers in any form?                                     | No. Please read the answer to Question 3.   |
| 5   | Based on the “Financial Offer” document, do I understand right that the numbers of man-days will be specified later?   | Yes, at this stage CEPOL requires the price for 1 man-day. Please note that 1 man-day is defined as 8 hours excluding breaks or travel.                           |
