**Annex 1 to the Decision of the Governing Board  
of CEPOL 18/2006/GB**

**Creation of a Working Group “Analysis of CEPOL’s training  
activities” under the Annual Programme Committee**

***Background:***

During its last meeting held on 23 January 2006 in Traiskirchen, the Annual Programme Committee dealt with the organisational difficulties encountered when setting up CEPOL’s activities. In particular was mentioned the risk to see the number of potential participants reduced each year due to the difficult challenge to find trainees meeting the **three following criteria**:

*\*Be a senior law enforcement officer*

*\*Be fluent in English*

*\*Have expertise in the topic taught during the activity.*

The Annual Programme Committee proposed that a group “*will be formed to discuss and make suggestions*” (see minutes of the APC meeting).

***Complementary information:***

*Denomination:* this working group will be called “Analysis of CEPOL’s training activities”.

*Composition:* Members of the working group will be: Portugal, France, Italy, Germany, Slovakia, Sweden and Poland.

*Remit:* the working group will maintain close collaboration with the Working Group on Learning (WGL) and in particular with the Subgroup 1 of WGL, which has to deal with quality assurance system, evaluation assessment and post course learning reinforcement. It will have to identify factors conducive to a better attendance in CEPOL’s activities. It will have to report to the APC, set out difficulties encountered and propose solutions. If necessary, it will have to carry out audits on existing courses/seminars after having examined the evaluation reports on the basis of instruments elaborated in the Quality Assurance system. This should be done with a view to improving CEPOL’s image and quality.

The working group will have to deliver via the APC to the Governing Board its progress report and its recommendations for future analysis activities by the end of 2007.

*Frequency of meetings:* the meetings will be held at least once per Presidency. The first meeting of the working group will be organised according to the available budget.

*Budget:* the costs relating to the meetings will be provided for in CEPOL budget.
