

DECISION 32/2008/GB

OF THE GOVERNING BOARD OF THE EUROPEAN POLICE COLLEGE

AMENDING DECISION 22/2006/GB

OF THE GOVERNING BOARD OF THE EUROPEAN POLICE COLLEGE

ADOPTING THE FINANCIAL REGULATION

Adopted by the Governing Board
on 11 December 2008

THE GOVERNING BOARD,

Having regard to Council Decision 2005/681/JHA of 20 September 2005 establishing the European Police College (CEPOL) ⁽¹⁾, and in particular Article 17 thereof;

Having regard to Commission Regulation (EC, Euratom) No 652/2008 of 9 July 2008 amending Commission Regulation (EC, Euratom) No 2343/2002 on the framework Financial Regulation ⁽²⁾, and in particular Article 2 thereof;

Having regard to the opinion of the Commission ⁽³⁾;

Having regard to the opinion of the Budget and Administration Committee ⁽⁴⁾;

Whereas:

- (1) Following the amendment of Commission Regulation (EC, Euratom) No 2343/2002 of 23 December 2002 on the framework Financial Regulation ⁽⁵⁾ by Commission Regulation (EC, Euratom) No 652/2008 it is necessary to adapt Decision 22/2006/GB of the Governing Board of the European Police College adopting the Financial Regulation ⁽⁶⁾ in order to align it with the framework Financial Regulation.
- (2) It should be made clear that sound financial management requires effective and efficient internal control. The main features and objectives of internal control systems should be defined.
- (3) Accrued transparency vis-à-vis the budgetary authority should be ensured through new information requirements incumbent on CEPOL in the budget procedure particularly as regards estimations of the number of contract staff, surpluses, assigned revenue and waivers to recovery of established amounts receivable.
- (4) In order to ensure that personal data is kept for no longer than is necessary for the purposes for which the data were collected or for which they are further processed, specific requirements should be laid down as regards supporting documents.
- (5) In order to strengthen the protection of the financial interests of the Communities, CEPOL should establish a list of amounts receivable, stating the names of the debtors and the amount of the debt where the debtor has been ordered to pay by a Court decision that has the force of res judicata and where

⁽⁴⁾ 12th meeting of the Budget and Administration Committee; item 5.

⁽⁵⁾ OJ L 357, 31.12.2002, p.72. Regulation as last amended by Regulation (EC, Euratom) No 652/2008.

⁽⁶⁾ Adopted by the Governing Board in a written procedure on 31 August 2006.

no or no significant payment has been made for one year after its pronouncement. This list should be published, taking into account the legislation applicable to data protection.

- (6) In order to ensure the transparency of the use of funds deriving from CEPOL's budget, it is appropriate to provide for a general obligation of CEPOL to make available information on the beneficiaries of those funds.
- (7) The list of assigned items of revenue proved to be incomplete and should therefore be completed in accordance with Article 18(1) of Council Regulation (EC, Euratom) 1605/2002 of 25 June 2002 on the Financial Regulation applicable to the general budget of the European Communities ⁽¹⁾ (hereinafter referred to as "general Financial Regulation").
- (8) The publication of the budget of CEPOL should be simplified, while preserving the prerogatives of the budgetary authority and of the Court of Auditors.
- (9) The procedure regarding transfers to be adopted by the directors of Community bodies has been applied inconsistently and should therefore be clarified.
- (10) Payment requests to the Commission should be substantiated and based on rigorous cash management in order to avoid surpluses at the end of the year.
- (11) The effects of part-time work on the establishment plan should be specified to facilitate its use.
- (12) In order to strengthen the protection of the financial interest of the Communities, CEPOL should participate in fraud prevention activities of the European Anti-fraud Office.
- (13) In order to cover all persons involved in procurement and grant procedures, it is appropriate to provide for particulars regarding conflict of interest situations.
- (14) Treatment of similar individual transactions relating to certain routine expenditure items should be simplified with regard to ex ante verification obligations.
- (15) Financial liability of the authorising officer should be expressively limited to cases of gross negligence and intentional misconduct.
- (16) In order to facilitate transactions in certain cases, CEPOL should be enabled to use a direct debit system.

⁽¹⁾ OJ L 248, 16.9.2002, p. 1. Regulation as last amended by Council Regulation (EC) No 1525/2007 (OJ L 343, 27.12.2007, p.9).

- (17) Given that the Director, who is authorising officer, is the hierarchical superior of the accounting officer, the functional independence of the accounting officer in the performance of his duties should be explicitly referred to.
- (18) The accounting officer's responsibility for certifying the accounts on the basis of the financial information supplied to him by the authorising officer should be clarified. To this end, the accounting officer should be empowered to check the information received from the authorising officer by delegation and to enter reservations, if necessary.
- (19) It is necessary to define a set of rules for fees and charges which may be collected by CEPOL in future in order to meet the needs of CEPOL if and when activities are financed from such revenue.
- (20) The specialised Financial Irregularities Panel of the Commission established pursuant to Article 66(4) of the general Financial Regulation should become, by default, competent for CEPOL unless CEPOL decides to set up a panel or to participate in a joint panel established by several Community bodies.
- (21) The conditions for the use, by CEPOL, of Commission services and offices, interinstitutional European offices and the Translation Centre for bodies of the European Union established by Council Regulation (EC) No 2965/94 of 28 November 1994 setting up a Translation Centre for bodies of the European Union ⁽¹⁾ and joint procurement procedures with host Member States as well as the role of CEPOL's network and cooperation partners in the implementation of CEPOL's work programme should be specified in order to reinforce interinstitutional cooperation, cooperation between Community bodies and cooperation with CEPOL's host Member States as well as the functioning of CEPOL's network, including its cooperation partners.
- (22) In order to strengthen the protection of the financial interests of the Communities and given that CEPOL cannot exercise certain prerogatives exclusively assigned to the Community institutions, it should be required to insert specific contractual clauses in its contracts and grant agreements concluded with third parties enabling CEPOL to exercise certain rights, including the suspension and termination of contracts and tender procedures and the establishment of a limitation period.
- (23) The provisions on the information procedure for projects with significant impact on the administrative budget of Community bodies should be harmonised.
- (24) It is necessary to provide for a specific procedure for the selection of experts, corresponding to that laid down in the general Financial Regulation by also

⁽¹⁾ OJ L 314, 7.12.1994, p.1. Regulation as last amended by Regulation (EC) No 1645/2003 (OJ L 245, 29.9.2003, p. 13).

taking into account the implementation of CEPOL's work programme as regards the use of experts from CEPOL's network and its cooperation partners.

- (25) Communication and cooperation between the Director and the Governing Board in the framework of the discharge procedure should be enhanced.
- (26) In line with Article 185(1) of the general Financial Regulation, it should be provided that where CEPOL will adopt rules to implement its financial regulation, the adoption of these rules is subject to the prior agreement of the Commission.
- (27) Decision 22/2006/GB of the Governing Board of the European Police College should therefore be amended accordingly and Decision 23/2006/GB of the Governing Board of the European Police College concerning the exercise of powers by the financial irregularities panel set up by the Commission should be repealed ⁽¹⁾.
