B. Elaboration Trafficking Human Beings Content – Knowledge Landscape

Users get more in depth information and knowledge about the 11 recurring elements in the online Trafficking Human Beings module. Each of the element elaborations is described in detail and where appropriate topics are interlinked with each other. Users have the possibility to engage with the content through comments, ratings and sharing it with colleagues.

C. Diagnostic Self Evaluation

Users can test their own Trafficking Human Beings knowledge at any time while using the online Trafficking Human Beings module. Test items are pooled according to the 11 recurring topics. A random selection of the items will be offered to users every time they decide to take the self-test.

D. Glossary

Terminology, abbreviations and jargon typically in reference to Trafficking Human Beings is collected in a glossary. Specific Trafficking Human Beings related terms, jargon and abbreviations used in the module are clarified to the user in a separated dedicated section of the module. This allows the user for criss-crossing the Trafficking Human Beings knowledge landscape.

The full content descriptions of the Trafficking Human Beings online module are available to registered users of CEPOL's website.
